

HighLife Samples presents 'Big Electro Sound', a collection that contains ten EDM Construction Kits. If you are looking for Electro Main-Room sounds, then this is a must-have pack.

These ten Construction Kits are made to satisfy the most demanding producers. Each Kit contains memorable breakdowns of melodies and a Big Room Electro theme.

All folders are key-labelled to make it easy as possible to combine sounds and create new ideas. Each sound has a corresponding MIDI file so you can change it to new ideas and add your favorite synth sound with total flexibility.

If you are a fan of productions from W&W, Showtek, Hardwell, Dimitri Vegas, and Like Mike, Tiesto, David Guetta, Steve Aoki, Martin Garrix, R3hab, Blasterjaxx, then, this pack is made for you.
