

Chill Trap Construction Kits

New Loops presents Chill Trap - a musical collection of urban sounds for producers of Trap, Future Bass, Hip Hop and other urban styles.

Full Construction Kits

Chill Trap features 5 full construction kits with over 580 MB of audio loops, one shot sounds and midi files. You'll find drums, bass, vocals, melodies, sound effects, multi-samples and more!

Audio Loops and One Shot's

This audio sample pack has been created to be as diverse and useful as possible. All sounds are individually named and have tempo and key in the file names. The audio loops have many variations for example, with and without FX, full loops, kickless loops, hat loops, kick and snare only etc.

100% Royalty Free

As with all New Loops sample packs, once purchased Chill Trap is 100% royalty free to use in your songs and audio productions.

Audio Wav Pack

Chill Trap audio wav pack is the universal format and works with all software compatible with .wav files including: FL Studio, Cubase, Pro Tools, Studio One, Logic Pro, Sonar, Reaper, and many other DAWS.
