We have collected our top 3 EDM templates of the year in a single megapack!

So if you're searching for a massive amount of super high-quality content for an unbelievable price then you've come to the right place.

This pack is over 1GB of content spread across the absolute highest quality Audio Samples, Loops, MIDI Files, Presets, and a Production Tip Booklet for each of our templates!

This pack is packed with 3 banger tracks!

You'll find 'Rotterdam' and 'Here We Go', both with a Big Room sound inspired by names like Dimitri Vegas & Like Mike, Carnage, Quintino, Hardwell and others.

Filled with powerful supersaws and punchy drums, mixed with a complex mixing and mastering chain.

The other track is 'Sapphire' with more a melodic Progressive House feel in the likes of guys like KSHMR, Sick Individuals, Nicky Romero and more.

You'll be able to create beautiful breakdown chords, ambient FXs, and powerful drop leads.

We believe these templates will get you to get killer ideas together fast with the minimum of fuss.

We aim to deliver the ultimate product for novice and advanced users.

Leaving you to dig as deep as you wish to generate your own sound and next hit song.

Plus giving you 3 booklets containing tips and tricks from the producers behind the templates.
