

'Progressive Trance Sounds For Spire' from Essential Audio Media brings you a set of 72 Spire VSTi presets inspired by producers such as Above & Beyond, Andrew Bayer, Ilan Bluestone, Maor Levi, Oliver Smith, Alex Sonata, TheRio and many more. The content of this soundbank can also be useful for other electronic dance music genres.

Essential Audio Media has also added 18 bonus presets, so you'll get 90 Spire VSTi presets in total.

If you are looking for sounds to bring your next Progressive Trance productions to the next level, this Spire VSTi soundbank is exactly what you need!

Please Note: The piano sounds from the audio demo are NOT INCLUDED in this package and are used in the audio demo only for demonstration purposes. This package only contains Spire VSTi presets.
