

'Spire Essentials Vol 1: Future House & EDM Charts' from Baltic Audio is a must-have product for producers looking to get the perfect sound for the current House & EDM Charts! You'll find 64 top-quality presets for the amazing Spire synthesizer to create hit tracks, including hand-crafted basses, leads, arps, pads, synths, and much more.

Each preset is perfectly programmed by a professional sound designer and every parameter tweaked with passion and detail and will be your essential source for creating new and commercial sounds within your compositions.

If you're looking for the sounds of sick Individuals, Hardwell, Pep & Rash, Calvin Harris, SCNDL, Axwell, Bassjackers, Tiesto, EDX and Oliver Heldens, then this product has you covered.

You can also use it for genres like Pop, Trap, Hip Hop and RnB.

In addition, you'll find 50 MIDI files of the sounddemo included.

Feel free to download the free demobank of this release to get the full idea behind this masterpiece.
