Folder Contents

Name *	Date modified	Type	Size	
 Artwork	20/10/2014 09:57	File folder		
 Bank	20/10/2014 09:07	File folder		
 Demo preview - Drops Construction	20/10/2014 09:00	File folder		
 Individual Presets	20/10/2014 09:08	File folder		
 Kicks in Key	20/10/2014 09:00	File folder		
 Midis	20/10/2014 09:00	File folder		
 Showcase Demo	20/10/2014 09:06	File folder		

When you go in to the Main Folder you will be presented with the following folders as the image above shows, Bank folder is where the .SBF file is located and can be copied to where you keep your spire bank files, Individual Presets folder is where all 100 x SPF files are if you need them, Showcase Demo folder is where the main demo is.

Here is the contents of the rest of the following folders so you can see whats in them :-

Demo Preview – Drops Construction (It's 8 Folders With All Of The Contents Of The Main Demo's)

Name ^	Date modified	Type	Size	
 1 Drop	20/10/2014 09:00	File folder		
 2 Drop	20/10/2014 09:00	File folder		
 3 Drop	20/10/2014 09:00	File folder		
 4 Drop	20/10/2014 09:00	File folder		
 5 Drop	20/10/2014 09:00	File folder		
 6 Drop	20/10/2014 09:00	File folder		
 7 Drop	20/10/2014 09:00	File folder		
 8 Drop	20/10/2014 09:00	File folder		

Looking inside the 1st drop demo

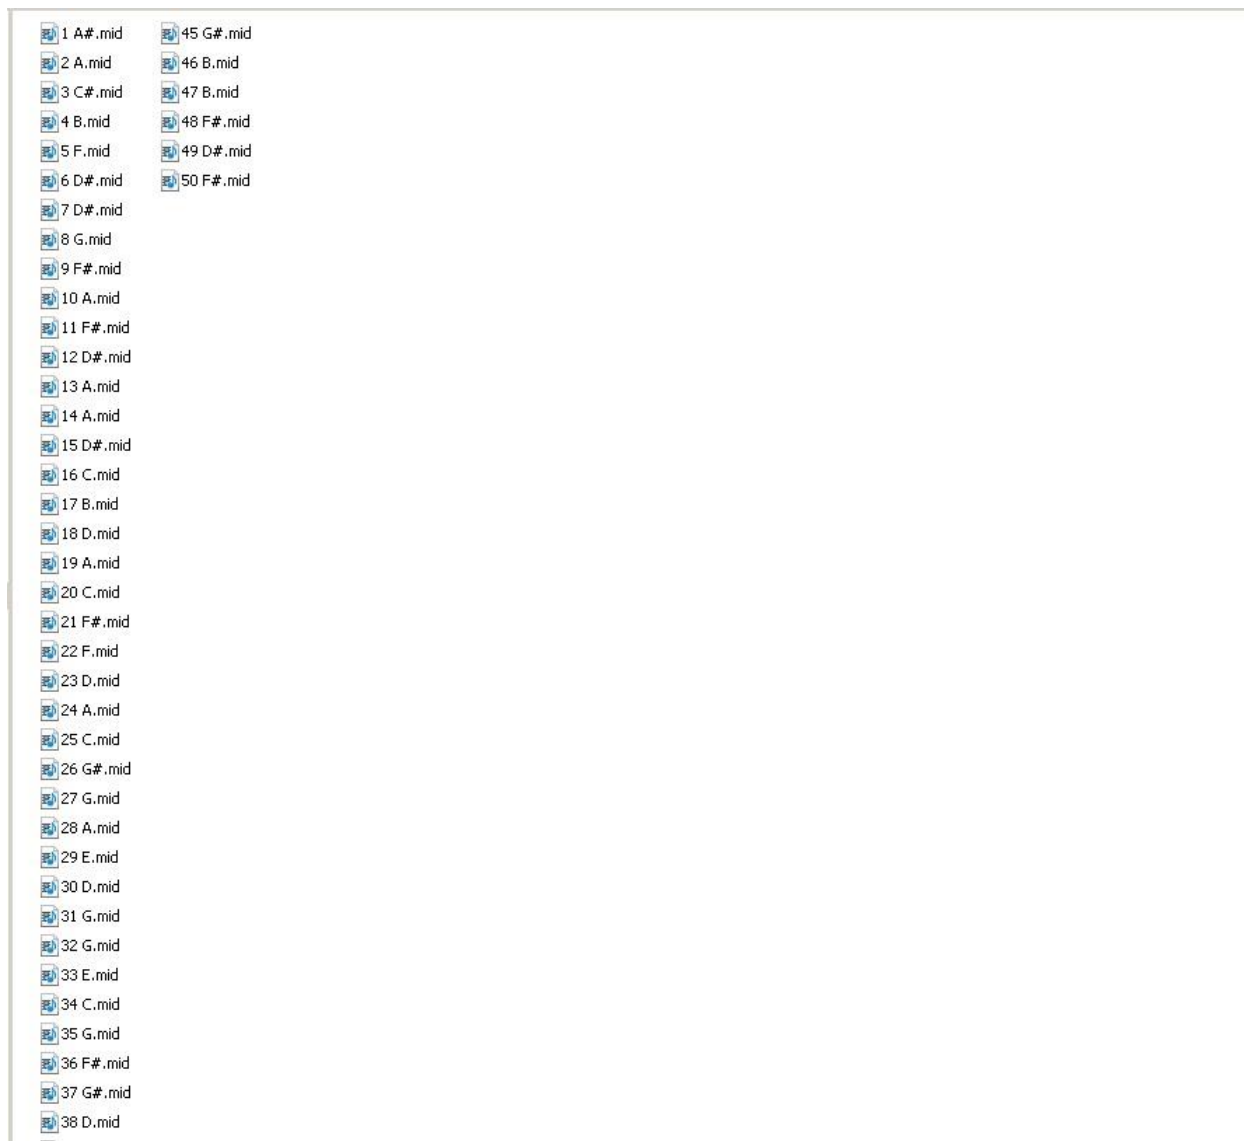

Name	Date modified	Type	Size	
be the selected folder in a library.				
 1 A#.mid	10/10/2014 14:36	MIDI Sequence	1 KB	
 Kick25 G.wav	02/10/2014 21:50	Wave Sound	125 KB	
 Lead 123 Jump.spf	18/10/2014 16:53	SPF File	4 KB	
 Lead Huge 1.spf	18/10/2014 14:16	SPF File	4 KB	
 Lead Huge Drop.spf	18/10/2014 14:26	SPF File	4 KB	

It shows what midi was used, what Kick was used and what presets was used to make up 1st drop demo. This is similar in each drop folder, the reason for 3 x Presets in this case is they have been layered to produce that particular sound.
