The Sound of the Streets

These head-banging street anthem beats by multi-platinum Anno Domini Nation producer 2DEEP are pure heat!

From orchestral East Coast beats to modern OVO inspired Trap sounds or throwback old school licks, this kit has what you need!

5 construction kits with over 90 WAV files are included. You will also receive MIDI files for easy editing.

2Deep's productions can be heard in music by the likes of 50 Cent, Rick Ross, Tech N9ne and Wu-Tang Clan among countless others.

Remember: The streets is watchin!
