'Summer Preset Bundle' from baltic audio includes selected soundbanks for Sylenth1 and Spire synthesizers, which are suitable for building the hottest summer tracks for Tropical House and Synthpop. You will find 256 presets, 202 MIDI files and 65 drums containing everything you need for your next banging production.

Each preset is perfectly programmed by a professional sound designer and every parameter tweaked with passion and detail and will be your essential source for creating new and commercial sounds within your compositions.

You can use it for genres like Tropical House, Deep House, Synthpop, Pop and more. In addition, you'll find 202 MIDI files taken from the demos and 65 bonus drums.
