

No surprise that Tech House and Techno are very popular now.

We decide to create samples pack, called Tech House by Incognet, because we think we can make one of the best and needfull samples for your production in Techno and Tech house style.

Inspired by Dennis Cruz, Camelphat, Green Velvet, Danny Tenaglia, Thomas Schumacher, FISHER (OZ), Hot Creations, Snatch!, Solid Grooves, Sola, Relief ect, this pack has everything you need to create modern tech house tracks!:

- 8 Construction Kits (125 bpm Wav 24 bit, with all stems, Wet and Dry, Midi and one Shots included, EFX, Top Loops, PErcs, Stabs ect)
- Drum Loops folder (from 124 to 127 bpm)
- Bass Loops folder
- One Shots folder (with lots of Kicks, Synth Shots, Claps, Hihats ect)
- Size 350 Mb.

Just check the demo and grab it!

Wav: 283MB • 278 x WAV 44.1 kHz, 24-bit
