

"Tropical House For Spire" from Function Loops brings 64 deep and tropic presets for Spire VSTi. If you are looking to produce music in direction of Kygo, Thomas Jack, Bakermat and alike, it's your chance to jump on the boat and dominate a new hit genre with these Tropical and Deep House dedicated presets. Tweak them to the maximum!

Packed with all the sounds needed to produce Tropical House, including Bass, Chords, Keys, Plucks, Synths, Pads, Sequences and SFX.

All presets already pre-programmed in the VST itself, they all sound great, basically - you don't need to add any additional VSTs.

Enjoy the ride and we are looking to see your Tropical / Deep House tracks in the charts!
