

Ultra Techno Vocals: Gospel is the first vocal pack to combine the nostalgic vibes of '90s Techno with the pulsating energy of contemporary Big Room and Rave, together with elements of Gospel and Religious music. Inspired by the electrifying sounds of renowned artists like Anyma and Afterlife, this vocal pack is a treasure trove of carefully selected vocal samples that reflect the essence of both eras and styles. It bridges the gap between the past and present, bringing you a collection of vocals that is truly one-of-a-kind and divinely inspired!
