

Ultra Tropical House Vocals 20 is an essential collection meticulously designed for summer music enthusiasts, offering a comprehensive suite of both male and female vocal performances. This pack stands out by including vocals in both dry and wet versions, accompanied by the corresponding MIDI files, ensuring versatility and ease of use for producers. If your project demands enchanting, catchy acapellas suitable for Tropical and Pop genres, look no further. Each vocal loop is imbued with a warm, vintage essence, allowing them to seamlessly integrate into your mix without requiring additional processing. Furthermore, the entire pack is offered with a 100% Royalty-Free license.
