We present you the perfect Underground samplepack any producer should grab to make a noise this 2017!

A pro samplepack recognised by names like Anthony Rother, Detlef, Dennis Cruz, Kolsch and more!

Filled with 10 songstarters to get ideas flowing quickly and easily. Each of them key-labelled and with their corresponding MIDI files. Hand-crafted punchy drum loops and analog synth shots recorded from machines like Moog Mini and Rogue, Roland's SH101, and Sequential Pro One.

We are also giving you over +90 Massive and Spire presets inspired by Tech, Techno, and House producers. Plus, we are giving you an exclusive producer's handbook. With over +350 files in total, Underground 2K17 is here to help you out shape your next track!

Speciffications:
- 10 x Full Songstarters (key-labelled)
- 116 x Analog Synth Shots
- 100 x Drum Loops
- 39 x Midi Files
- 98 x Presets (Massive/Spire)
