

Let's be honest, how many really good vocal samplepacks are there around?

How many times have you been looking for THAT vocal samplepack with real good hit potential vocals in it? Not only the vocals are mostly not that good, but also the music and construction kits are often not of a high quality standard.

ATTENTION!

FINALLY Audentity Records is offering you one of the best vocal samplepacks ever produced. High quality vocals combined with royalty free construction kits, midis and presets in 1 MEGA PACK!

The pack is full of complete Vocal accapellas (chorus, verse), Vocal Chops, Vocal FX, 5x Construction Kits, Midis, Presets and more.

All the music you are hearing in the music demo is in the samplepack, all stems, wavs, samples, presets and midi + all vocals!

You can use everything in your own music and release it on your fav label, Royalty Free!
