

100 PSY TRANCE KICKS is a brand new set of kicks created specifically for psy trance music.

Talented sound designer Jksound (who also produced Classic Trance Vol.1-6 and largest collections of sounds dedicated to trance music production as Reloaded sample packs teamed up with Myloops)

back again and created an exciting set of 100 quality kick drums ready to use in your productions.

Jksound also included additional bonus sounds as a presets for Reveal Sound Spire synthesizer that are used in the audiodemo.

All of this content is 100% Royalty-Free, so you can use any of these elements in your own productions.

If you are producing psy trance music and would like to get more inspiration and expand your sound library, this is the perfect package!
