

'Commercial RnB' by 2DEEP gives you all the necessary tools to create your next radio hit. This pack includes everything from the instrument stems, the wet & dry vocal tracks and the single one-shots of the sounds used so you have full control over your project.

Loops, vocals, MIDI files and one-shots - all the tools you need for making the most of your studio time. The MIDI files give you the freedom to apply hooky melodies with any sound you choose. Alternatively, drag & drop the WAV files into your DAW of choice to get started on your next track.

The content included in this pack is not only perfect for mainstream Pop, Future Bass & RnB but it can also help bring Dance, Electronica & Urban genres to a whole other level. Listen to the demo to hear more and elevate your tracks to become the next big chart-topper.

All loops and samples in this library are licensed to you Royalty-Free so you can use them in your commercial compositions at no extra cost.
