

'Pop & Future RnB' by 2DEEP is loaded with loops inspired by modern-day chart-topping hits that will instantly take your production to the next level.

Included are the loops, vocals, MIDI files and one-shots used to create the Construction Kit tracks. The included MIDI files give you the freedom to apply hooky melodies with any sound you choose. Alternatively, drag & drop the WAV files into your DAW of choice to get started on your next track.

The content included in this pack is not only perfect for mainstream Pop, Future Bass & RnB but it can also help bring Dance, Electronica & any Urban genres to a whole other level. Listen to the demo to hear more and elevate your tracks to become the next big chart-topper.

All loops and samples in this library are licensed to you Royalty-Free so you can use them in your commercial compositions at no extra cost.
