

AFRO HOUSE PIANO & PERCUSSIONS

Sample pack

AFRO HOUSE PIANO & PERCUSSIONS

Unleash your creativity with our massive Afro House Pack, meticulously crafted for producers seeking to capture the essence of the genre. Inspired by the sounds of renowned artists like Keinemusik, Caiiro, Adam Port, Black Coffee, Alex Wann, and Pablo Fierro, this collection is designed to elevate your music production to new heights.

What's Inside?

This pack is the most comprehensive Afro House collection we've ever created, totaling an impressive 1.5 GB of content. Dive into a rich array of sounds and samples that will transform your tracks and inspire your creative process.

54 Arps, Atmospheres, & Pads – Enhance your tracks with lush soundscapes and intricate arpeggios.

10 Construction Kits – Each kit is set at 120-122 BPM and includes One Shots, Loops, and Midis, totaling 350 Files for seamless integration into your projects.

37 Effects – Add depth and texture with a variety of sound effects tailored for Afro House.

20 Melodies – Captivating melodies that will keep your audience engaged.

47 MIDI Files – Easily manipulate these MIDI files to fit your unique sound.

30 One Shots – Perfectly crafted one-shot samples for quick and impactful sound placements.

107 Percussion Loops – Drive your tracks with infectious grooves that define the Afro House rhythm.

24 Serum Presets – Custom-designed presets for the Serum synthesizer, allowing you to create unique sounds effortlessly.

15 Pianos with MIDI Files – Beautiful piano samples paired with MIDI files for instant musical inspiration.

Requirements:

Reveal Sound Spire synthesizer Version 1.5.17 or higher.

You can use all the presets in your commercial releases 100% Royalty-Free.
