

“AMPED OUT - Cyberpunk” Time to ravage your tracks with an exemplary Cyberpunk sound pack that takes no prisoners. Unique Synths and powerful basslines, punchy drums and filling FX’s will take you to the future.

Combining the best Synthwave and Cyberpunk sequences with retro gear, dirty drums, and synth-soaked rhythms has created a boundary-breaking pack.

'Cyberpunk' offers complete control over its dynamic sound collection with an all-powerful Bassline Loops & Shots, Drum Loops, Leads & Tonals, FX & Foleys and more!

This pack included:

036 - Drum Loops

180 - Drums One Shots

058 - FX's & Foleys

015 - Leads

015 - Tonals

015 - Bass Loops

026 - Bass One Shots
