

64 Dream Presets for Reveal Sound Spire.

Immerse yourself in the world of sounds AQUA!

We have always remained faithful to the quality of the sounds created.

This is a wonderful product, which sounds unique colors of various tools, from magical textures, iridescent звуков, to tropical storms and waterfalls.

This collection will become an indispensable tool for writing music for films, TV, Chillout and Ambient styles.

Use our presets with ease to create amazing musical compositions!

With respect and love, your Bellatrix Audio.
