

DIRTREQ

***ASOT Style Templates*
for FL Studio**

We are ready to introduce our new massive template for FL Studio in A State of Trance Style.

In this pack you can find 5 projects in TOP trance stars style:

-Armin Van Buuren

-Marlo

-Daniel Kandi

-Audien

-Chris Schweizer

Every project has a professional mix and Clean look so you can easily find in it.

From this templates you can learn how to make **powerfull leds, bulidups and drops.**

Our template includes **high quality samples, presets, automation, MIDI data, effect chains**

and proper processing to achieve your next chart topping production

If you want to see how this porojets look like check this video:

<https://youtu.be/DXDO8fjw89Y>
