

Ghost Digital Music is proud to present Ableton Live Deep Melodic Template, a quality crafted template, that gives you a solid foundation for composing quality Deep Melodic Progressive House.

'Ableton Live Deep Melodic Template' was hand crafted by Tyler Schauman. His template was curated to teach proper mixing techniques to help Ableton Live users everywhere.

The project file contains spire presets from Ghost Digital Music 'Deep Melodic Spire Soundbank' as well as useful audio effects racks for your professional productions.

Check out our demo and be blown away by quality of this template template!
