

'What About: Ableton Mastering Chains' is a brand new unique pack made by W.A. Production's sound engineers, containing 20 professionally created and ready-for-action mastering chains for Ableton. These mastering chains are divided into four sections: Classic, Soft, Hard and Templates. Suitable to all EDM genres.

These effect racks are extremely easy to use, just double click any of the presets and you will receive instant perfect sound and power. You can even tweak with the most important parameters thanks to assigned macro controls. How to .txt file is included.

'What About: Ableton Mastering Chains' is a powerful tool for all producers of EDM, Trap, House and Urban styles. You'll find a wide variety of mastering techniques prepared with maximum precision to bring you as strong and fat a sound as possible.

Each chain is different and unique. You simply cannot miss, just go through presets and find the perfect effect rack for your mix. Wide techniques for compressors, multiband dynamics, equalisers, saturators, dynamic plugins & more has been applied during the creation of this awesome pack.

Also included is one Ableton mastering tutorial as a bonus.
