

Big Sounds "Ableton Progressive Trance Vol.1" is a full template project for Ableton Live.

This project uses only two third party VST instruments: Lennar Digital Sylenth1, and Reveal Spire, includes the full arrangement with Wav files, Midi files, instrument presets, mixing, track leveling, groups of Side Chain, Drums, Baselines and automation of each instrument.

It is a 100% royalty free template project. You can use this project as an educational and inspirational tool to learn how all the sounds can be fit together to create a full, solid sounding tune.

Also you can add your own midi melodies and make the track yours and ready to be release out in the music market as a commercial track.

Buying this template project is an easy way to learn fast how to create a solid Progressive Trance track.

Features:

1x Ableton Live Project file for PC & MAC

All MIDI & Audio channels included

Audio Samples Synth presets, Midi Files, Mixing, Groups of Side Chain, Drums, Baselines, Melodies
