

If you are a beginner or a pro you will find this Ableton Project Template very useful for your productions.

This EDM style template for Ableton is really awesome.

This project uses only one third party VST instrument: Reveal Sound Spire vst, includes the full arrangement with wav files, Midi files, instrument presets, mixing, track leveling, Side Chain, Drums, Baselines and automation of each instrument.

There's a lot to take from this track.

It is a 100% royalty free template project.

You can use this project as an educational and inspirational tool to learn how all the sounds can be fit together to create a full, solid sounding tune.

Also you can add your own midi melodies and make the track yours and ready to be release out in the music market as a commercial track.

If you are not an Ableton user and you like these sounds!

Also you will find all the presets and MIDI files that we used in this Template project

Buying this template project is an easy way to learn fast how to create a solid EDM track.

This Template was inspired by artist like Hardwell, Tiesto, W&W, Dimitri Vegas, Like Mike and many others.

In order to run this project fully you will need one of the following VST Instruments and Plugins:

- Ableton Live 9.1.2 or later
- Reveal Sound Spire vst 1.0.17
