

Planet Samples strikes again with a much anticipated vocal pack. Completely fresh, uplifting and Professional Male Vocals, ready to complement and complete your next big hit.

### Planet Samples Acapella Vocals Vol.3

This is a pack you don't want to miss! In it you will find 5 complete kits, containing dry, wet and backup acapellas, as well as our own proposed composition for each vocal, in wav and midi form for your own convenience and creative freedom.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Uplifting/Melodic Trance, Future and Progressive House.

As a BONUS we have included an Ableton Project file demonstrating how to put the right fx on the vocals for them to sound brighter within the mix. Also you will find an Ableton Vocal Rack with the plugins that were used in the project file.
