

This pack is for those who struggled to distinguishing themselves in the EDM scene, being able to create a sound that is unlike anything you've ever heard before, and succeed as an artist.

It doesn't matter if you make Drum & Bass, Trap, Dubstep, Electro or any other form of Electronic Music. Acetate Samples gives you the highest quality samples for creating heavy bass music – period. You won't find drum samples like these anywhere else!

There is endless possibilities for creating big tracks, with the same quality of sounds as all the top producers have. These drums are now being used by all the top names in Dubstep and Drum & Bass scene.

You will be able to grasp every advanced sound design technique you need from our exclusive producer's handbook, and start learning everything on your own pace.

We made our first ever all-in-one samplepack that not only equips you with top-notch sounds, but provides you with a complete Start to Finish Production Templates.
