

Looking for some fresh recorded African drums and tailor-made samples with a House vibe? Afro House Essentials Tools is the sample pack for you!

Hand-crafted drum loop grooves and raw African percussion one shots that will bring House and Tech closer to your speakers all year round!

These easy-to-use samples and drum loops are already processed to the highest quality so you can drag and drop them straight into your sampler and start having fun.

This pack is inspired by the sounds of Latmun, FISHER, Hot Since 82, Mihalīs Safras, Michael Bibi, Kevin Knapp and more!

Here at The Audio Bar, we are dedicated to allowing you to develop as producers so with Afro House Essentials we include a music production booklet that contains must-have tips and tricks direct from the producer!
