

Incognet Samples – Afro House Serum Presets

Elevate your music production with our exclusive collection of 140 presets, meticulously crafted from our renowned Afro House sample packs. Whether you're looking to create infectious grooves or atmospheric soundscapes, this pack has you covered with a diverse range of sounds including:

- Arpeggios
- Deep Basses
- FX Whoops
- Plucks
- Leads
- Ear Candies

Inspired by the sounds of the Afro House scene, this preset collection draws influence from legendary artists such as:

- Black Coffee
- Keinemusik
- Caiiro
- Adam Port
- Alex Wann
- Pablo Fierro

These presets are expertly taken from the following sample packs:

- Incognet Samples – Afro House
- Incognet Samples – Afro House Essentials
- Incognet Samples – Afro House Essentials Vol.2
- Incognet Samples – Afro House Piano & Percussions
- Incognet Samples – Iberian Groove

Whether you're a seasoned producer or just starting out, this preset pack is designed to enhance your workflow and spark your creativity. Don't miss out on the opportunity to bring authentic Afro House elements to your tracks!
