

EDM is back and strong! We have prepared a fresh "essentials" pack covering the trending and upcoming sounds of the genre.

With synth loops and one-shots, like Big Room saw leads, deep basslines, spacy plucks, and more! If all these sounds amazing, then Alive is definitely the pack for you.

Plus, you'll find a series of drum one-shots and loops ready for just drag & drop into your DAW, like punchy snares, groovy perc loops, and state of the art kick samples crafted by our finest EDM team of producers.

The "Alive" pack is inspired by producers such as Dannic, Hardwell, Dimitri Vegas & Like Mike, R3hab, KSHMR and many others.

So if you're interested in making music that needs to stand out of the usual out there in Spotify, Soundcloud, YouTube, etc... Alive is the pack for you!

What's inside the pack?

- 15 FX Samples;
- 12 Drum Loops;
- 15 Synth Loops;
- 15 Drum One Shots;
