

The Definitive Sample Collection Vol. 1 is a sample library containing over 1000 of Myon's signature sounds from the past 15 years, including his latest secret weapons and go to sounds.

Discover the fundamental storytelling tools that has made Myon a familiar and respected name to dance music lovers worldwide.

Whether you're looking for Kicks, Bass Shots, Top Loops, FX, Drop Effects, Buildups, Ambiences, Signature Sound Kits, or much more – you'll find it here. With these sounds having been used in Myon's releases on Anjunabeats and Ride Recordings – including anthems 'Strangers', 'Under Your Cloud', 'Omen In The Rain', 'Summer Of Love', and many more, Myon's The Definitive Sample Collection Vol. 1 will take your productions to the next level.
