

Freak Music is proud to present "Ambitious" - **outstanding collection of five construction kits with perfect sounding symphony sounds, chilling drums and rich patterns.** This time it is the best choice to create something gorgeous in your favorite genre. From simple piano loops and soft percussion to uplifting strings, mesmerizing trombones, flute, strong violin and MIDI Files corresponding to every melodic part in the kit. Guaranteed to breathe life into your productions.

This product will become a real decoration of your collection and an excellent tool for creating modern and extraordinary sound in your music. All of the kits are key and tempo labeled and delivered as **24-bit WAV files.** You can load the **MIDI files on your DAW of choice** and recreate the melodies as you want to come up with new ideas. Elements such as weeping violins, cello power chords, pizzicato and staccato sounds, harmonized piano riffs and trombones can all be combined to construct your own sounds and patterns, just drag and drop them into your DAW or MPC for **easy chopping and slicing.**
