

We present you the perfect Hard Techno sample pack any producer should grab to make some rave sound noise this year!

A complete package already recognized by names like Anthony Rother, ANNA, Dennis Cruz, Enrico Sangiuliano and more!

A sample pack with over 380 curated loops one-shot samples with signature bass, lead, and drums by our in-house Techno producers. All of them key-labelled! Hand-crafted underground drum loops and analog synth shots recorded from machines like Moog Mini and Rogue, Roland's SH101 and TB-303 emulator.

We are also giving you over +20 Massive bonus presets inspired by the club rave Techno producers, so you can start your own synth leads from scratch.
