

"100% Analog Psytrance" is a killer collection of rare production tools for Psytrance producers. Been wondering how big names get the warm, fat sound, that you hear in all the festivals and huge events? Well, this collection will help you bring that sound into your tracks.

Over 470MB of content to help you put the missing pieces of the puzzle and finally get your productions finished. You will find Drums (Kicks, Snares, Hats, Percussion), Basslines, Arps, FM Sounds, Synths and FX Loops, everything produced using hardware synths. Extra fat, outstanding quality, not less than your favorite artists. 100% Royalty-Free. Key & BPM Labelled, for ease of use.

This remarkable sample pack was produced by Braincell, exclusive for Function Loops. Enjoy!
