

Exotic Refreshment are proud to present "Ancient Rhythms - Exotic Samples 029", second sample pack from our World Series.

Collection features 117 loops in wav format (44.1 kHz, 24-bit), ready to use in your deep tribal dance music and electronica productions.

Sample pack is full of ancient rhythms, ethnic and folkloric sounds, so it can be used also in multiple genres like deep house, chill out, downtempo, melodic house & techno, tech house, minimal or techno.

Pack includes 411 MB of Ambience / Atmosphere Loops, Ancient Drum Loops, Bass Loops, FXs, Kick Loops (clean, without any other drums for your better control over the loop) and Musical & Synth Loops.

To achieve warm rich analog sound, all samples were recorded using Studer A800 Multichannel Tape Recorder.
