

Maison De Blanc presents Anthemic Progressive House.

This sample pack features 650 Mb of powerfully designed sound material providing the essential elements for your next big-room chart-topper.

Anthemic Progressive House contains 8 super-charged construction kits, two mini sound banks for Spire & Sylenth1 plus 30 MIDI files.

If you're a big fan of Alesso, Audien, Vicetone, R3hab, VINAI, Joel Fletcher, Axtone, Revealed, Protocol or Wall Recordings - look no further, Anthemic Progressive House is for you.

Each construction kit offers club-ready full mix and all components broken out into constituent parts for maximum programming ease (including drums stripped to kick, snare, clap or percussion loops).

Two sound banks for Spire & Sylenth1 are filled with big room basslines, euphoric leads & crispy pluck sounds.

As a bonus Anthemic Progressive House also offers 30 MIDI files.

From driving bass MIDI loops to melodic synth lines & arpeggio's.

All kits are key & tempo labelled.
