

HighLife SAMPLES

SAMPLES FOR PRODUCERS

HighLife is proud to present you the “Arsenal EDM Spire” a sound bank for Reveal Sound’s Spire vst.

50 presets’ of Arp’s, bass, leads, plucks, has extremely been squeezed for maximal impact for your latest EDM dance track. Our ready Arp’s are the big goal for this product. Add a tonal kick with one of the ready Arp’s and you will have a massive big sound in your hands.

Usable for all EDM genres like Bigroom House, Electro, Progressive house, Duch House and Trance.

Everything you hear in the audio demo is 100% Spire Arp sounds with the exception of the drum loops and fx

If you are not a Spire user we export for you 35x EDM Arp’s in WAV format, so you can use them in any DAW. This bank is absolutely recommended for producers who want to make an epic dance-floor TUNE.

You need Spire vst instrument version 1.0.13 or newest. This Soundbank contains only Spire presets, the drums-loops and fx are not included

Pack Deatails:

- 35x EDM Ready Arp’s
- 35x EDM Ready Arp’s (WAV files)
- 3x Bass
- 1x Drum
- 5x Leads
