

Freak Music is proud to present the "Athmo" - collection of five Ambient, Chillout and Chillstep construction kits, perfect for your next production. This product is bringing you the freshest set of chilled electronica featuring rich ambient loops, foley sound effects, chilled percussion and beautiful melodies. We have included MIDI Files and Spire Presets for absolutely all melodic content giving the end producer **100% control to change tempo, velocity or key and also customize the loops to your own exact requirements**. Works with every DAW. It is awesome how versatile and universal can a sample pack be.

All sounds are labeled with the correct key information for ease of use. Every single sound in this product is **100% royalty-free**, so once purchased, you can use them in your commercial releases without having to pay any hidden costs. This toolkit is true essential for every producer who's looking for fresh and modern sounds!
