

Planet Samples is back with a pack which you have definitely been missing. Have you always felt that your tracks were missing that atmospheric feel, that vocal warmth that every Major Trance track seem to have? We got you covered!

Planet Samples Atmospheric Trance Vocals

This is a pack you don't want to miss! Inside you will find a selection of vocal chops, shaped with our signature sound, resulting in atmospheric voice chops that raise the hair on the back of your neck!

There is a set of 32 vocals ready for your 132-133bpm tracks, and another set of 32 vocals for your 138bpm tracks. All files are numbered and labelled with their respective root key for your convenience.

As a bonus, we have included 25 vocals without gating effects for you to apply your own gates effects and get exactly how you want to sound.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and suitable for genres such as Uplifting/Melodic/Progressive Trance, Future and Progressive House.
