

Explore the dreamy world of experimental melodic and atmospheric downtempo music with third chapter of our chill out pack - Atmospherica.

We are proud to present absolutely new sample pack in mesmerising and breathtaking style of progressive house music with chill out and downtempo house influences which include all essentials for production including drum loops, music loops, various FX and one shots.

This collection contains unique expertly crafted loops with soft organic and atmospheric elements, which attract attention from the first seconds, includes seraphic atmospheric soundscapes, fantastic music loops, groovy drum loops and crispy percussion loops. Music loops works like a construction kits, so you can mix them as you want and get a real chill out track which ready to release. And of course we include essentials for drum section like a single kicks, synths and percussions. For creating a stuff with best quality all content is tempo synced and key labelled, to simplify the work with them. Its time to release your creative freedom!
