

Audentity Records proudly presents Festival Psytrance 2.

Elaborating on the hugely popular charting Festival Psytrance 1, this new pack has even more and better melodies, samples, drumbeats and driving basslines.

Ready to be dropped on festivals worldwide, our new trippy sample collection contains all the samples you need to make impressive energetic Psytrance.

Expect to find: pulsating Psy basslines, epic melodies, acid riffs, psychedelic leads, wall breaking kicks and supercool Arabic instruments.

Inspired by artists like Armin van Buuren, Hardwell, Infected Mushroom, Astrix, Astral Projection, Shpongle, Ace Ventura and others.
