

Future Bounce is back! After an absence of 2 years, we decided to bring it back to all the fans worldwide. With this sample pack our team started with a brand new concept: a pack with only useful, amazing ingredients such as MelodyLoops, Bass loops, Music Phrases, Drums & Drumloops & Vocal Phrases.

We improved the distribution of the included samples & loops, the content is now laid out in a more creative way. All chopped and processed, ready to be dropped in your DAW or samplers Future Bounce is inspired by artists like Mike Williams, Mesto, Tiesto, Curbi and lots of others.
