

As being wellknown for their vocals and acapellas, Audentity Records has once more collected some great and useful vocals from their previous sample packs such as Vocal Megapack 11, Vocal Megapack 12, Pop Vocals & FX 2, Energy Slap House 2, Emo Pop Vibes 2, Indie & Electro Vocal Pop, and many others.

Audentity Records samples and vocals have been used in thousands of records in the last 9 years, and lots of them made it to the top and gathered big momentum for the artists in question.

The pack has 9 acapellas inside with all the necessary layers, such as doubles, vocoders, adlibs. Just drop them in your track and go ahead or build a completely new track around them.

Vocals Only 6 contains:

38 Acapellas;

50 Vocal Loops;

7 Vocal Backings;

4 Vocoders;

27 Adlibs;

3 Vocal Chops;

Total 129 Files;
