

'Austral Aura' by Essential Audio Media brings you 65 Presets for Serum inspired by artists such as Anyma, Kevin de Vries, Rebuke, Omnya, Ben Böhmer, Tinlicker & Jan Blomqvist. This soundbank includes sounds that can be used for melodic techno and deep house.

Essential Audio Media has also added a folder where all presets, MIDI & melodic parts from the audio demo are included so you can find your favorite presets from the audio demo much faster!
