

'Bass House Injection Vol 2' from baltic audio brings you a powerful collection of Bass House samples and loops to push your production to the next level. You'll find a bunch of drums, basses, percussion, synths and more.

This royalty-free pack provides you with all of the elements you need to make chart-topping Bass House hits.

20 MIDI files are included for the majority of musical phrases heard in these kits. Together with the collection of several basses- and synth shots and some presets for Serum and Spire synthesizer there are no limits to your creativity.

Of course, the numerous ready-to-use loops and stems also allow you to achieve great results very quickly.

You can use this pack for genres like Bass House, Future Bass, Trap, EDM and more.
