

'Bass House Samples' is the brand new sample pack by Big Sounds. Inspired by AC Slater Jauz and Twoloud to bring you a full of inspiration sample pack.

Inside you will find 5 construction kits, all kits includes loops from bass, leads, drums, fx and vocals. You can find also midi files, presets from Serum and a folder with stems files for ultra-flexibility. As a bonus we include a folder with 40 vocal phrases that are suitable for Bass House Music.

All folders are clearly labelled with key and bpm and all sounds are ready to drop into your next project. To import the serum presets you will need Serum v1.214 or higher.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
