

'Bass House Vocals' sample pack is here to help you to take your bass house productions to the next level. Whether your track is lacking that vocal line or needs some nice drums or bass loops, then this pack might be something you must check out.

Inside this pack, you will find 5 Construction Kits inspired by top bass house djs and producers. All Kits include the drum loops, bass loops, synths, leads, and FX's.

There are also included the MIDI files for all melodic elements like bass and leads allowing you to edit the MIDI files inside your favorite DAW and make your midi patterns.

This sample pack is also suitable for genres like Bass House, G- House and House.

Everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs
