

Audentity Records is proud to introduce Bass House 2, our sequel to our popular bass house packs.

Expect to find a 100% royalty-free sample pack suitable for Bass House, Future House, G-House and other popular genres.

Our new Bass House pack contains quality and usable hooky riffs with Deep and Fat bass loops, FM Tears, Biting leads, Smashing drums and Shuffled Arps.

All the construction kits have corresponding one shots and midis included, so you can enjoy maximal flexibility.

For fans of JOYRYDE, Jauz, Ephwurd and others these drop kits will get you started off with your new track properly.

Drop the loops or one-shots in your daw or sampler and start producing your next hit! It's that simple!

In detail, you can expect 929mb of content with all audio at 24Bit & 44KHZ.

The pack contains 14 Construction Kits, 68 MIDI Loops, 65 Drumloops, 9 Vocal Loops, 155 Drums One Shots, 96 Synth One Shots, 6 Vocal One Shots, 31 Serum Presets, 7 Massive Presets, 3 Spire Presets.
