

## Beautiful Nightmares vol.2

We present "Beautiful Nightmares" vol.2 and as in its previous volume this pack is inspired by Dark Pop. It has 3 incredible construction kits, in addition to creepy vocals and quite powerful sounds, which you can use not only in Dark Pop but in genres such as Trap, Commercial Pop, Experimental, Electronic music and more. Inspired by artists like Isabel DeLaRosa, Skrillex, Kanye and more. 100% royalty-free content.
