

Big Sounds constantly strives to bring you the freshest sounds on the market.

Big EDM 2018 is no exception and is guaranteed to influence all your future productions and releases!

This pack definitely packs a punch!

In it you will find 5 construction kits, offering the greatest tools and source of inspiration you have been missing.

All kits include Bass loops, Melodies, Arps, Chords, Leads, Plucks, Mixed FX, and of course all drum loops.

With each kit you get the wav files, midis and vst presets (Sylenth and Spire) used to create our distinctive sounds.

What's more, we have included with each kit, the one-shot samples for all the percussions and a folder with Bonus EDM Big Room Spire presets!

Everything you get is Royalty Free!

Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine.
